 - History: How am I making history?
 - RE: What do Christians believe about God?
 - Art: Tone and texture
 - Computing: Internet safety
 - PSHE: Being Me in My world
-
- Information can be found on the website

Homework
arrangements
and
expectations.

Please take a
handout about
reading at
home.

- September: reading only (3x per week)
- October onwards: reading and spelling (Friday spelling tests)
- November onwards: reading, spelling, maths activities

The importance of naming your child's belongings!

Please name your child's uniform, school shoes, P.E. kit, trainers, lunch box, water bottle and anything else you don't want to lose!

WHY IT MATTERS

Helps us
return lost items
quickly.

Reduces loss
and saves
money.

Keeps items
together and
easy to find.

Promotes
independence and
responsibility.

Collection arrangements.

- It is important that we know who has permission to collect your child from school. If we are not sure about the adult asking to take them, we will not hand them over!
- You will be asked to provide names of permitted adults to the school office. Teachers keep lists of who is allowed to collect who and need to adhere to these.
- It can be embarrassing for staff and friends/family if we are not certain and have to challenge a request to collect a child. Please help us by making sure we have clear guidance from you about who your child can go home with.
- Year 6 children only are permitted to walk home unaccompanied. If you wish your Year 6 child to walk to and from school, you must provide a written permission to the school office.

The use of fidget toys.

- We have a strong focus on mental health and emotional wellbeing, and we teach the children skills of self-regulation and strategies that they can use if they are feeling “out of sorts” for some reason.
- Some children may benefit from use of a “fidget toy” in certain circumstances, but not everyone needs one and those who do have them don’t necessarily need them all the time.
- The use of fidget toys is at the discretion of the class teacher, based on an assessed need.
- Please do not send fidget toys into school for your child. If we believe they would benefit from this strategy, we will provide a suitable resource.
- Have you downloaded the My Happy Mind app? If not, please take a handout and check this out!

The importance of good attendance.

(Please take a handout)

WHY ATTENDANCE MATTERS

Better learning

Children learn more and make better progress when they attend school every day.

Stronger friendships

Being in school helps children build friendships and feel part of our school family.

Good for wellbeing

Routine and positive relationships at school support good mental health and confidence.

Opportunities for all

Your child won't miss out on important lessons, activities, trips and special events.

Where can I find out more?

- The school calendar on the website will be kept up to date with all the latest information. Did you know you can sync your smart phone to this?
- Newsletters are sent out every Friday. We hope you will take the time to read these in full, but if you are in a hurry there is always a REMINDERS section at the bottom which lists upcoming events.
- Meetings with teachers. We will have individual meetings on our two Parents' Evenings which are Monday 5th and Thursday 8th October. You will be sent a booking link nearer the time.
- We are also happy to meet with you to chat through any concerns or questions – after school is always best and if you are able to arrange a time in advance, we can be sure to give you our full attention.

Any questions?

Thank you for
coming. We
look forward to
a great year
with your child.
