A School Arrangements

1 DEFINITION AND AIMS

Definition

A pupil has special educational needs/disabilities (SEND) if he or she has a learning difficulty or disability that calls for special educational provision to be made for him or her. This may mean that a pupil has a significantly greater difficulty in learning than the majority of pupils of the same age, or a disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools. Special educational provision means provision that is additional to or otherwise different from that which is made generally for pupils of the same age in other schools (Children and Families Act 2014). The Equality Act 2010 identifies the fact that many children and young people who have SEND may have a disability and schools must make reasonable adjustments to ensure that they are not at a substantial disadvantage compared to their peers. However, not all children defined as disabled will require this provision. A child with asthma or diabetes, for example, may not have special educational needs, but may still have rights under the Equality Act 2010. We will assess each child as required, and make the appropriate provision, based on their identified needs. This policy should be read in conjunction with the ***Accessibility Plan*** and the ***Medical Conditions in School Policy***.

Aims

We at Enstone Primary School believe that each pupil has individual and unique needs. However, some pupils require more support than others. If these pupils are to achieve their full potential, we must recognise this and plan accordingly. We acknowledge that a significant proportion of pupils will have special educational needs at some time in their school career. Many of these pupils may require help throughout their time in school, whilst others may need a little extra support for a short period to help overcome more temporary needs. Enstone Primary School aims to provide all pupils with strategies for dealing with their needs in a supportive environment, and to give them meaningful access to the National Curriculum. In particular, we aim:

- to enable every pupil to experience success
- to promote individual confidence and a positive attitude
- to ensure that all pupils, whatever their special educational needs, receive appropriate educational provision through a broad and balanced curriculum that is relevant and differentiated, and that demonstrates coherence and progression in learning
- to give pupils with SEND equal opportunities to take part in all aspects of the school's provision, as far as is safe and appropriate
- to identify, assess, record, and regularly review pupils' progress and needs
- to involve parents/carers and pupils in planning and supporting at all stages of their development
- to work collaboratively with parents/carers, other professionals and support services including SENSS and CAMHS.
- to ensure that the responsibility held by all staff and governors for SEND is implemented and maintained.

A2 ROLES AND RESPONSIBILITIES

Provision for pupils with SEND is a matter for the school as a whole. It is each teacher's responsibility to provide for pupils with SEND in his/her class, and to be aware that these needs may be present in different learning situations. All staff are responsible for helping to meet an individual's special educational needs, and for following the school's procedures for identifying, assessing and making provision to meet these needs.

Class teachers are responsible for:

- all pupils with SEND in the classroom, and for providing an appropriately differentiated curriculum. They can refer to the SENDCo for advice on assessment and strategies to support inclusion
- monitoring the impact of intervention programmes provided for SEND pupils in their class
- making themselves aware of the school's SEND Policy and procedures for identification, monitoring and supporting pupils with SEND
- meeting with parents/carers of pupils with SEND to review progress at least three times a year.

The **headteacher** has responsibility for:

- the management of all aspects of the school's work, including provision for pupils with SEND
- keeping the governing body informed about SEND issues
- working closely with the SEND co-ordinator
- the deployment of all personnel within the school
- S/he also has overall responsibility for monitoring and reporting to the governors about the implementation of the schools' SEND policy and the effects of inclusion policies on the school as whole.

The **special educational needs co-ordinator** (SENDCo) is responsible for:

- overseeing the day-to-day operation of the school's SEND policy
- co-ordinating the provision for pupils with SEND
- advising on the graduated approach to providing SEND support
- liaising with the Designated Teacher where a looked after pupil has SEND
- advising on the deployment of the school's notional SEN budget and other resources to meet pupils' needs effectively
- helping staff to identify pupils with SEND
- supporting class teachers in devising strategies, planning interventions, monitoring impact of interventions, agreeing outcomes appropriate to the needs of the pupils, and advising on appropriate resources and materials for use with pupils with special educational needs and on the effective use of materials and personnel in the classroom
- ensuring that teachers are liaising with parents/carers of pupils with SEND, so that they are aware of the strategies that are being used and are involved as partners in the process
- liaising with early years providers, other schools, outside agencies, health and social care professionals and independent and voluntary bodies
- ensuring that the school's SEND records of all pupils are up to date.
- monitoring and evaluation of progress of pupils with SEND through the use of existing school assessment information, e.g. class-based assessments/records, end of year tests, SATs, etc
- contributing to the in-service training of staff
- liaising with the SENDCos in receiving schools and/or other primary schools to ensure a pupil and their parents/carers are informed about options and a smooth transition is planned
- working with the headteacher and school governors to ensure that the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements.

At Enstone Primary School our SEND Coordinator is Mrs Sarah Mann (Headteacher).

Teaching Assistants

- should be fully aware of the school's SEND policy and the procedures for identifying, assessing and making provision for pupils with SEND
- should use the school's procedures for giving feedback to teachers about pupils' responses to tasks and strategies.
- should work as part of a team with the SENDCo and the teachers, supporting pupils' individual needs, and the effective inclusion of pupils with SEND.
- should be given any necessary information relating to the supervision of SEND pupils at lunchtime.

The **governing body** in co-operation with the headteacher, has a legal responsibility for determining the policy and provision for pupils with special educational needs - it maintains a general overview and has appointed a representative who takes particular interest in this aspect of the school.

Governors must ensure that:

- the necessary provision is made for any pupil with SEND
- all staff are aware of the need to identify and provide for pupils with SEND
- pupils with SEND join in school activities alongside other pupils, so far as is reasonably practical and compatible with their needs and the efficient education of other pupils
- they have regard to the requirements of the Special Educational Needs and Disability Code of Practice 2014
- parents/carers are notified if the school decides to make SEND provision for their pupil
- they are fully informed about SEND issues, so that they can play a major part in school self-review
- they set up appropriate staffing and funding arrangements and oversee the school's work for pupils with SEND
- the quality of SEND provision is regularly monitored.

A3 CO-ORDINATING AND MANAGING PROVISION

At Enstone Primary School:

- sharing of expertise is welcomed and encouraged
- SEND provision is an embedded part of the school development plan
- SEND is a regular item on staff meeting agendas or the main item of a meeting
- the SENDCo meets regularly with teachers and TAs
- the SENDCo ensures that regular meetings are held, normally once a term, to review progress and provision, and that parents/carers are invited
- there is regular informal contact between all staff to monitor individual pupils and to discuss concerns
- pupils are involved in discussions about their targets and provision, insofar as they are able to do this
- the SENDCo ensures that the following information is easily accessible to staff:
 - the school's SEND policy
 - the SEND register
 - an overview of SEND provision from the school prospectus which is on the school website
 - The Oxfordshire SEND guidance for identifying and supporting SEND.

A4 ADMISSION ARRANGEMENTS

Enstone Primary School strives to be a fully inclusive school. It acknowledges the range of issues to be taken account of in the process of development. All pupils are welcome, including those with SEND, in accordance with the LA admissions policy. If a parent/carer wishes to have mainstream provision for a child with an EHC Plan the LA must provide a place unless this is incompatible with the efficient education of other pupils, and there are no reasonable steps that can be taken to prevent the incompatibility.

A5 SPECIALISMS AND SPECIAL FACILITIES

At Enstone Primary School:

- teaching staff have experience of teaching a range of pupils with SEND. Additional training for teachers and TAs is made available when necessary and appropriate, particularly training to meet the specific needs of an individual pupil
- differentiated resources are used to ensure access to the curriculum; resources are easily accessible in the staff room and in each classroom
- all staff are kept well informed about the strategies needed to manage pupils' needs effectively, and we try to ensure that other pupils understand and respond with sensitivity
- pupil support aims to encourage as much independence as possible within a safe and caring environment
- we have access to the expertise of Local Authority services and other agencies as required
- the school has been adapted to provide easy access for wheelchairs, or toilet and washing areas
- we have an Accessibility Plan to minimise barriers to physical and curriculum access and access to information.
- the school has robust systems and policies in place for the safeguarding of all children, including those who may be particularly vulnerable.

B Identification and Assessment and Provision

B1 ALLOCATION OF RESOURCES

All schools in Oxfordshire receive funding for pupils with SEND in three main ways:

- the base budget which covers teaching and curriculum expenses, as well as the cost of the SENDCo
- the notional SEND budget (the SEND Index) that is designed to fund the additional support required
- additional specific funds that may be allocated to pupils with an EHC Plan

The headteacher, SENDCo and the governors of the school regularly monitor the needs of pupils with SEND. Resources are allocated according to need. The resources available include ancillary help, teacher time and materials, and these are dependent on the school's SEND budget. Any money allocated as a result of statutory assessment is spent according to the terms outlined in the resulting Education, Health and Care Plan. The school has a continuing commitment to purchase appropriate resources for pupils with SEND.

Enstone Primary School follows LA guidance, (updated 2014) to ensure that all pupils' needs are appropriately met.

B2 IDENTIFICATION, ASSESSMENT AND REVIEW

The SEND Code of Practice (2014) outlines a graduated response to pupils' needs, recognising that there is a continuum of need matched by a continuum of support. This response is seen as action that is **additional to** or **different from** the provision made as part of the school's usual differentiated curriculum and strategies.

The Code recognises two levels of provision of SEND: SEND support and an Education, Health and Care Plan (EHC Plan).

The school uses the Pupil Profiles to maintain information about the identification, assessment and provision for each pupil. A register is kept of pupils with SEND and circulated to all staff. Where concern is expressed that a pupil may have SEND, the class teacher and support staff take early action to assess and address the difficulties. The Oxfordshire Guidance plus a range of other assessment information and observations are used to decide whether the pupil needs SEND provision.

Categories of Special Educational Need

The SEND Code of Practice recognises four broad areas of need: Communication and Interaction, Cognition and Learning, Social, Emotional and Mental Health Difficulties and Sensory and/or Physical. Oxfordshire subdivides these into eight categories of need (as set out in the Oxfordshire Guidance):

Code of Practice needs	Categories
Communication and interaction needs	Language Autistic spectrum disorder (ASD)
Cognition and learning	Learning Specific learning difficulties e.g. Dyslexia
SEMH	Social, emotional and mental health difficulties
Sensory and/or physical	Hearing Visual Physical

Levels of Provision

SEND Support

If a pupil has not made sufficient progress with quality first teaching and it is deemed that they need SEND support, a process of assessment, planning and review is set in place. Plus, outside agencies may be involved. This could be one of a range of LA or Health Services professionals. They may undertake more specialised assessment and/or observe the pupil. Parental/carer permission is always sought for a formal referral to any external service. Parents/carers are encouraged to attend reviews and to play a full part throughout the process.

Education, Health and Care Plan

Only a very small proportion of pupils require an **EHC Plan**. These pupils are likely to have complex needs that require more specialist advice and support. When the school applies to the Education Authority for an EHC needs assessment the needs of the pupil are assessed by a panel, using detailed input from home, school and appropriate specialists. If an EHC Plan is given it details the outcomes and the nature of support to be put in place. The EHC Plan is reviewed annually by all involved in the pupil's support and amended according to changing needs. Within school, the class teacher, together with the SENDCo and any outside agencies involved, take lead responsibility for planning the support that is put in place and that will reflect the outcome of the EHC Plan and the advice from outside agencies. The support is reviewed in line with the school review cycle (see below).

Parents/carers are encouraged to attend reviews and to play a full part throughout the process.

Review

Reviews of SEND pupils are normally carried out three times per year. Parents/carers and pupils should be fully involved. Both will be asked to make their comments in writing.

Annual Reviews

For pupils with an EHC plan, an Annual Review Meeting will be held. At this meeting, consideration is given to whether the EHC Plan should continue, and whether provision/strategies should be maintained or amended. It may set new long-term outcomes. Annual Reviews are normally held during the school day. All relevant professionals, including those who contributed to the original statement, are invited to attend or submit a written report.

B3 CURRICULUM ACCESS AND INCLUSION

Pupils are grouped in classes according to age. As there is a wide range of ability in each class, teachers provide a differentiated curriculum suitable for all pupils, to ensure access at all levels.

Any pupils with particular needs are included as fully as possible into the normal classroom environment and, where appropriate, the curriculum is adjusted. Sometimes it may be appropriate to withdraw a pupil sensitively, to work individually with an adult in order to acquire, reinforce or extend skills more effectively. For some pupils, intervention programmes may be used to give support in a particular area e.g. spelling. Interventions are normally time-limited and criteria for inclusion in such programmes are clearly specified.

Provision for pupils with SEND is intended to enable them to make the greatest possible progress in the context of the National Curriculum and in their personal development.

B4 EVALUATING SUCCESS

The success of the school's SEND policy and provision is evaluated through:

- monitoring of classroom practice by the SENDCo and subject co-ordinators
- analysis of pupil tracking data and test results:
 - for individual pupils
 - for cohorts
- regular monitoring of procedures and practice by the SEND governor
- the School Development Plan, which is used for monitoring provision in the school
- visits from LA personnel and OFSTED inspection arrangements, which also enable us to evaluate the success of our provision
- frequent meetings of parents/carers and staff, both formal and informal, to plan assess and review provision and celebrate success.
- Pupil voice exercises.

B5. ARRANGEMENTS FOR COMPLAINTS

Should pupils or parents/carers be unhappy with any aspect of provision they should discuss the problem with a class teacher in the first instance. For a problem that might need time to explore fully, parents/carers are advised to make a mutually convenient appointment with the class teacher. Anyone who feels unable to talk to the teacher, or is not satisfied with the teacher's comments, should ask to speak to the SENDCo.

In the event of a formal complaint parents/carers are advised to contact the headteacher. The Oxfordshire Parent Partnership Service is available to offer advice (see C1 below).

C Partnership Within and Beyond the School

C1 PARTNERSHIP WITH PARENTS/CARERS

The staff at Enstone Primary School will continue to forge home/school links and encourage parents/carers to be partners in the education process. Parents/carers are involved from the outset and encouraged to discuss any concerns with class teachers as they arise. They are always encouraged to take part in the process of reviewing and monitoring provision and progress.

Parents/carers will receive accurate information when they meet with teachers, so that they have a full picture of their child's skills and abilities, at whatever level, as well as their child's behaviour at school. They are consulted before outside agencies are involved and are included as far as possible in strategies instigated. Parents/carers have the right to access any records of their child's progress and are encouraged to contribute to these records.

Parent/carer review meetings are held three times a year, but parents/carers are welcome to visit the school or arrange meetings at other times to discuss any aspect of their child's progress with the class teacher or SENDCo. We are happy to make arrangements, wherever possible, for interpreters to be present for parents/carers with a first language other than English. SEND information and leaflets/audio guides are available in a number of community languages through the school or Oxfordshire Parent Partnership Service.

Oxfordshire Parent Partnership Service (OPPS) provides a range of support for parents/carers of pupils with SEND, including Independent Parental Supporters (IPS) and parent/carer training about the Code of Practice. IPS give advice and support to parents/carers of pupils with SEND at any age or stage. Parent Partnership also gives information about mediation services. OPPS arranges meetings and produces leaflets and Audio guides about many aspects of SEND. They can be contacted on 01865 810516. Some of their leaflets are available in school.

A guide to SEND provision in Oxfordshire (The Local Offer) is available on the Oxfordshire website. <https://www.oxfordshire.gov.uk/cms/public-site/special-educational-needs-and-disability-local-offer>

Information about the school's SEND policy and provision is available on the school website.

C2 THE VOICE OF THE CHILD

All pupils should be involved in making decisions where possible right from the start of their education. The ways in which pupils are encouraged to participate should reflect the pupil's evolving maturity. Participation in education is a process that will necessitate all pupils being given the opportunity to make choices and to understand that their views matter. Confident pupils, who know that their opinions will be valued and who can practice making choices, will be more secure and effective learners throughout their schooling.

In Enstone Primary School, we encourage pupils to participate in their learning by:

- contributing to reviews
- talking to teachers and TAs about their learning
- class and individual incentive/reward systems

C3 LINKS WITH OTHER AGENCIES, ORGANISATIONS AND SUPPORT SERVICES

The school has access to a wide range of education, health and social services professionals available in Oxfordshire. This includes outreach teachers from the SEND support service (SENSS) and may involve liaison with Language Resource Bases, the Service for Autism, Service for Pupils with Physical Disabilities, Sensory Support Service, Occupational Therapists, Physiotherapists, Speech and Language Therapists and others. It also includes the Educational Psychology Service (a traded service) and the Advisory Team for Inclusion. We are committed to using the expertise and advice provided by other professionals. Other health, social services, and voluntary organisations can be contacted as required.

C4 LINKS WITH OTHER SCHOOLS AND TRANSFER ARRANGEMENTS

Transfer and links with other schools

- SEND records are transferred following county procedures
- there are opportunities for all pupils to visit their prospective Secondary School
- pupils with SEND are given additional visits, if required, so that they will become more confident in the new situation
- representatives from local secondary schools are available for consultation before the time for transfer
- for pupils with an EHC Plan, the pupil's plan is amended early in the year of transfer. It must be amended in the light of the recommendations of the annual review in Year 5, the parents'/carers' views and preferences and the response to consultation by the LA with the schools concerned
- the SENDCo of the receiving school, where possible, attends the final annual review of Year 6 pupils with EHC plans for whom the particular school has been named
- Representatives from secondary schools visit our school to meet pupils before transfer.

Transfer within the school

- teachers liaise closely when pupils transfer to another class within the school
- meetings are arranged wherever possible between the staff involved in monitoring the pupil's progress
- the Foundation Stage teachers liaise with pre-school settings and staff to discuss pupils with SEND when they are about to start school

C5 STAFF DEVELOPMENT AND APPRAISAL

- the school is committed to constantly improving and updating expertise in SEND
- the SENDCo attends the partnership SENDCo support group meetings and county briefings termly
- whole staff in-service training sessions are arranged as appropriate, in response to established or evolving needs
- reading and discussion of documentation, and SENDCo/teacher meetings are considered to be part of staff development, as well as a time to share information
- the SENDCo and other staff attend, partnership and LA meetings and INSET when relevant
- newly appointed teaching and support staff meet the SENDCo to discuss SEND procedures in the school.
