Wednesday 11<sup>th</sup> February 2026

Dear Parents/Carers,

We have arranged to take the children in Evenlode Class to Cassington Waste Processing Plant on **Tuesday 3<sup>rd</sup> March**, in support of our Eco Schools topic.

In the Autumn Term we began our new topic: Global Citizenship. We divided into house groups to consider what we currently do well and how we can improve these areas in school: water, paper, plastic and food. Fire House investigated food and were pleased to discover that our food waste is collected and taken to a processing plant to produce energy. To further our learning and educate the rest of the school about this important topic we had a whole school assembly featuring a presentation about food waste recycling from a parent who works in this industry. Following on from this, we decided to arrange a visit to enable the children to see the process in action.

We will travel to and from Cassington by coach, leaving promptly after registration and arriving back by lunchtime so the children can have a school lunch on this day. The children will wear school uniform, but please can they bring **wellies** as there is a disinfectant foot dip that we'll all need to go through on our way in and out. They will also need a **waterproof coat**, as we will be outside most of the time.

Please log onto Parent Pay to make your payment, which also serves as your permission for your child to attend this trip. The cost of the trip is £5.00 per pupil to cover some of the transport costs, with the Friends Association kindly making up the shortfall. The deadline for making payment/giving permission is **Friday 27<sup>th</sup> February**.

If you have any questions, please pop in and see us any day after school.

Yours sincerely,

*Mrs S. West & Mrs Walsh*
