Thursday 21st May 2026

Dear Parents,

We have been offered a fantastic opportunity for our Year 5 and 6 girls to attend an event at Alpine Racing (in Enstone), designed to promote **International Women in Engineering Day**. This event is happening on **Monday 22nd June 2026**.

During the event, our girls will have the opportunity to talk to engineers and learn more about STEM careers as well as having a behind the scenes tour of the factory and taking part in some hands-on engineering activities designed to spark their curiosity and creativity.

We will travel to and from Alpine by bus. There is no charge for this trip (other than the 1p consent!).

To give your consent for your daughter to attend this event, please log onto Parent Pay and pay a 1p contribution which serves as your permission for them to go. Attached alongside this letter is a photography consent form and a "Student Privacy Notice". Please complete and return the photography consent as soon as possible.

If you have any questions, please pop in to see me one day after school.

For anyone worrying about the boys (who are not invited on this occasion) we will make sure they have a great off-timetable morning too!

Yours sincerely

Mrs S. Mann

Headteacher
