Friday 5<sup>th</sup> June

Dear Parents,

On the morning of Wednesday 24<sup>th</sup> June, Glyme class will be taking part in a 'Dinosaur' workshop at the Oxfordshire Museum in Woodstock.

We will be finding out how fossilised footprints were formed, discovered and brought to the museum. The children will become palaeontologists for the morning and 'excavate' fossils. We will spend some time in the Dinosaur Garden where we will investigate dinosaur footprints and plants which would have been growing in Oxfordshire during the Jurassic period. There will also be plenty of hands-on activities in the Interactive Dinosaur Gallery. It promises to be a fun filled morning!

The children should wear their school uniform for the trip and as we will be spending some time outside, they should also bring a lightweight waterproof jacket and a sun hat so that we are prepared for all weather. Please also ensure children are wearing long-lasting sun cream if it is a hot day as this cannot be applied whilst out on the trip.

As we will be out for the whole morning, the children will need to have a packed lunch.

For this trip to go ahead, we kindly ask for a contribution of £10 per pupil. To reduce the cost of the trip, The Friend's Association is paying the majority of the cost of the coach. Please log onto **Parent Pay** to make your payment, which also serves as your permission for your child to attend this trip.

The deadline for making payment/giving permission is Friday 19<sup>th</sup> June.

Yours sincerely,

Mrs Griffith
