Dear Parents/Carers,

MATHS QUIZ: Last week, we sent two teams to the Partnership Maths Quiz at Chipping Norton School. Both teams did an amazing job, answering some tricky questions as they battled fellow mathematicians from other local schools. Well done to all of our competitors, and especially the Y5/6 team who won their section.

SPORTS DAY: It was lovely to see so many of you joining us for our Sports Day on Tuesday morning. The children did a great job, staying calm and cool and giving everything their best effort. I would like to thank all of the staff for their hard work and effort which contributed to the success of this event, but particularly Mrs Slark and Mrs Moore who came in especially early on Tuesday morning to make sure we could be set up and ready to start on time. Our winners were Fire House – well done to them! It was a close contest though. Points as follows:

Water 479, Earth 485, Air 518, Fire 537.

SPORTS WORKSHOPS: The heatwave has hampered our sports a bit this week, as we had to cancel sports clubs and the tennis workshops we had planned. We were able to go ahead with the cricket on Thursday, however, and all children had a short but enjoyable session learning or honing their cricket skills.
